

Peak at The Week

November 9 - November 13

“J” was fun but now it’s done. The children had a fabulous week learning all about “J” and turkey’s! I brought in jellybeans one day for them to eat and they enjoyed the treat. We enjoyed going outside all week in this beautiful weather. We are blessed. We remain on the color Brown and our theme is pilgrims and Indians. We will be talking more about Thanksgiving and what we are thankful for. Our number is 11 and our letter is “K”. I want to add that the children did so well in Mass last week. They were rewarded in many ways for their behavior and well manners in Mass.

Our Thanksgiving feast is right around the corner. I sent you all an item to bring for the festivities so please check your child’s folder for your item. If you can not bring what was assigned, let me know this week so that I can accommodate that. I hope that you have a wonderful week just like we will be having here at school.

Please remember that my email address is rclark@truecrosschurch.org and I do check it regularly. I hope that you have a wonderful week as I know that we will.
