Mrs. Ramirez' Classroom Newsletter

Class News

Welcome back to school. We are in full swing and looking for ways to improve for the next reporting period. Please remember a full heading is needed. Keep working on your handwriting and math facts for multiplication and division. Thank you for always trying to do your best- it pays off when your grades improve. Yeah 4th graders!

We are learning about non-fiction reading. Finding Main Idea and supporting details is very important, keep working on it. Using our resources to get the best answer is also very necessary in this type of literature. Keep reading and enjoying non-fiction type books.

Remember a good breakfast and plenty of rest at home is essential. Please continue to check homework daily.

Roadrunners are all enjoying our new T-Shirts. BEEP! BEEP! Remember to bring a chapter book to read at school when they finish their work early, this is a wonderful study skill to develop.

Important Things to Remember

1. Please check the school web site for information about our class.
2. Wednesday is mass day - that means full uniform-ties and belts.
3. Friday- is our library day.
4. Smile

*Special Thanks to Mrs. Clifton for all her help-and delicious cookies! Yum!

Social Studies-Colonist come to Texas

Science-Ecosystems

Homework

Homework:

We would like the students to get into the good habit of writing their own assignments and being responsible for asking the necessary questions to complete each assignment. So, for the next few months we will rely on the efforts of the students to copy their assignments off the assignment board together. Hope this will be less confusing and easier to keep up with current learning skills. Thanks and God bless you for all your help.
