<p>Reminders</p>	<p>Several children have not turned the orange book report for October. It is past due and time to work on the November one.</p> <p>On the whole everyone in the class is well-behaved in Mass. When you take your child to Sunday or holyday Mass, please, make sure that they listen to the readings. I usually ask questions and give rewards (small ones).</p> <p>Many children still do not know their flashcard problems without counting. Please, go over these every night.</p>
